

PARK OF THE MONTH

Each month The Department of Parks, Recreation & Cultural Affairs in partnership with PARC, a committee initiated by Park Pride and dedicated to involving the community in enhancing the quality of life through the protection and improvement of parks and greenspace will select 1 park out of many to be the **PARK OF THE MONTH**. Parks will be nominated and then selected on their overall appearance, maintenance and landscaping.

The Park of the Month for September 2005 is...
Freedom Park!

Freedom Park is one of the most visible parks in the City of Atlanta. Freedom Park is a popular destination for joggers, dog walkers and park strollers. This park provides unique bike paths, accessible walking trails and a beautiful playground in addition to its vast greenspace. The park is also home to the recently dedicated monument honoring Georgia Congressman John Lewis. Freedom Park is great place to bring a lunch and enjoy the scenery!

Commissioner Harnell Cohen congratulates members of the North East Parks Crew for their hard work and dedication to providing the best in parks!
